

St. Cloud Christian School Biblical Lifestyle and Code of Conduct

Sexual immorality: In the light of God's Word, SCCS believes that its students must seek to uphold God's moral code regarding sexual activity. Sexual activity outside of marriage, homosexuality, criminal sexual behavior, pornography, etc. are activities that will result in discipline.

Physical Contact: Students are to show respect and courtesy in their relationships with individuals of the opposite sex. To be above reproach as representatives of the Lord Jesus Christ and of SCCS requires a mature and responsible attitude in demonstrating affection toward another person. Students are to refrain from participating in actions involving physical contact, such as holding hands, etc. during the school day.

Pornography/Questionable Materials: Students shall not possess, or distribute any item (print, video, CD, DVD, etc.) that contains "R"-rated or pornographic references, images, or is an item that in general is offensive/disruptive in nature.

Substance abuse: Students are prohibited from using, manufacturing, possessing, distributing, or being under the influence of alcohol, tobacco products, illegal drugs or harmful non-prescription drugs. At no time are students to have aerosol cans in their possession (hairspray, deodorant, etc.).

SCCS retains the right to search lockers, desks, personal belongings, vehicles, or the actual person of students for such substances. Should any such substance be discovered, immediate disciplinary action will be taken, as deemed appropriate by administration.

Disrespect: Disrespectful language or behavior toward faculty, staff, parents, volunteers, or fellow students is not permitted.

Conversational Language: Students should not use profanity, idle, filthy or unkind words, and expressions with "double" meanings, derogatory ethnic references or other crude language. Conversations that promote anti-Christian values will not be tolerated.

Fighting/Property Damage: Both physical and verbal assault is forbidden. This includes any kind of pushing, shoving, punching, hitting, kicking, taunting, teasing, or name-calling. Rough play and wrestling on the playground or indoors will not be tolerated. Bullying of any kind will not be tolerated. Bullying can include, but is not limited to, threats (verbal or non-verbal) or intimidation (verbal or non-verbal).

Threats: SCCS will not tolerate any threats of violence. All threatening statements will be taken seriously and may result in the expulsion of the student.

Harassment: SCCS is committed to maintaining an educational environment in which all individuals treat each other with respect, which is free from all forms of intimidation and harassment, including sexual harassment, bullying and electronic harassment.

Stealing: Any act of stealing from the school or another individual is forbidden.

Weapons, Explosives or Flammable Material: Students are prohibited from bringing matches, firecrackers, or any type of explosive, flammable or weapon to school or on to school property.
